SELF CONFIDENCE FORMULA

First. I know that I have the ability to achieve the object of my Definite Purpose in life, therefore, I DEMAND of myself persistent, continuous action toward its attainment, and I here and now promise to render such action.

Second. I realize the dominating thoughts of my mind will eventually reproduce themselves in outward, physical action, and gradually transform themselves into physical reality, therefore, I concentrate my thoughts for thirty minutes daily, upon the task of thinking of the person I intend to become, thereby creating in my mind a clear mental picture of that person.

Third. I know through the principle of auto-suggestion, any desire that I persistently hold in my mind will eventually seek expression through some practical means of attaining the object back of it, therefore, I devote ten minutes daily to demanding of myself the development of SELF-CONFIDENCE.

Fourth. I have clearly written down a description of my DEFINITE CHIEF AIM in life, and I will never stop trying, until I shall have developed sufficient self-confidence for its attainment.

Fifth. I fully realize that no wealth or position can long endure, unless built upon truth and justice, therefore, I engage in no transaction which does not benefit all whom it affects. I succeed by attracting to myself the forces I wish to use, and the cooperation of other people. I induce others to serve me, because of my willingness to serve others. I eliminate hatred, envy, jealousy, selfishness, and cynicism, by developing love for all humanity, because I know that a negative attitude toward others can never bring me success. I cause others to believe in me, because I believe in them, and in myself.

I sign my name to this formula, commit it to memory, and repeat it aloud twice a day, with full FAITH that it is continually influencing my THOUGHTS and ACTIONS affirming that I am a self-reliant, and successful Team Elite Leader.

Thank you God for it is DONE!

MASTERMIND PRINCIPLES

I begin every MasterMind Meeting by reading these MasterMind Principles:

I RELEASE

I release myself to the MasterMind
because I am strong when I have others to help me.

I BELIEVE

I believe that combined intelligence of the MasterMind
creates a wisdom far beyond my own.

I UNDERSTAND

I understand that I will more easily create positive results in my life when I am open to
looking at myself, my problems and opportunities from another's point of view.

I DECIDE

I decide to release my desire totally in trust to the MasterMind
and I am open to accepting new possibilities.

I FORGIVE

I forgive myself for mistakes I have made. I also forgive others who have hurt me
in the past so I can move into the future with a clean slate.

I ASK

I ask the MasterMind to hear what I really want; my goals, my dreams and my desires,
and I hear my MasterMind partners supporting me in MY fulfillment.

I ACCEPT

I know, relax, and accept, believing that the working power of the MasterMind will respond
to my every need. I am grateful knowing this is so.

DEDICATION AND COVENANT

*"I now have a covenant in which it is agreed that the MasterMind shall supply me with
an abundance of all things necessary to live a success-filled and happy life.
I dedicate myself to be of maximum service to the world and my fellow human beings,
to live in a manner that will set the highest example for others to follow and to
remain an open channel of God's will. I go forth with a spirit of
enthusiasm, excitement and expectancy."*
